

10 YEAR PANEL INTEGRITY WARRANTY

LIMITED WARRANTY

KompacPlus Pte Ltd provides 10 Year Panel Integrity Warranty against panel delamination, swelling in thickness due to water exposure, and panel warpage. This warranty does not cover damage from physical and chemical abuse, excessive heat, non-recommended applications, acts of nature, and any other acts of customer abuse.

This warranty covers the replacement of the defective product with one of identical characteristics (colour, thickness etc) as those of the product purchased by the client. Should the said product be discontinued due to unforeseen circumstances, KompacPlus Pte Ltd reserves the right to replace the affected piece with the closest match.
