Imagine how much more
work you can get done
with a little **extra space**.

Seamless Extensions, from Counter to Cover

/

**Who says small kitchens can't have big dreams?**

Grab this opportunity to extend your kitchen workspace with KompaPlay Sink Cover – a multi-purpose kitchen accessory that offers extra countertop space to help you get everyday chores done faster throughout the day.

Made from High Water-Resistant KompacPanels

Featuring a signature compact thickness of only 6mm, KompacPanel is an innovative surfacing material that is built with a non-porous structure on top of a strong solid core to serve everyday use in durable style.

Complimentary* with new KompacTop orders

For a limited time only, new KompacTop orders are entitled to one (1) complimentary KompaPlay Sink Cover application that extends the surface aesthetics of the adjoining KompacTop countertops to create extra work space directly over the sink.

Create Unique Combinations of Shape and Colour

Available in 20 standard designs, take your pick from our latest Kollektion to create stunning combinations of shape, size, and colour to enhance your kitchen space today.

Recommendations

Best Recommended for Undermount Sink Applications

For best aesthetic appeal, KompacPlay Sink Cover is best recommended for undermount sink applications where the sink rims are hidden from view.

This method will allow easy cleaning of countertop in one swift swipe while worrying less about dirt and spills getting caught in installation joints over time.
