

CERTIFICATIONS

GREENGUARD INDOOR AIR QUALITY CERTIFICATION

KompacPlus panels carry the Greenguard Indoor Air Quality Certification from the Greenguard Environmental Institute that recognises our commitment and environmental conscientiousness towards producing healthy interiors with low chemical emissions.

FOREST STEWARDSHIP COUNCIL (FSC)

Our products bear the Forest Stewardship Council (FSC) label that certifies our sourcing processes for adhering to ethical forest management with the assurance that social, economical and ecological needs of the present and future generations are proactively assessed and responded to.

JIS Z 2801-2012 ANTIMICROBIAL PRODUCTS - TEST FOR ANTIMICROBIAL ACTIVITY AND EFFICACY

KompacPanel's surfaces inhibit the growth of microorganisms or kill them within 24-hours upon contact - ensuring a safe surface to work or handle food on.

BS 6853-1999 EVALUATION OF TOXIC FUMES

When in contact with fire, our products do not emit toxic fumes during burning, making it a safe surface in any condition.

TEMPERATURE RISE TEST OF KOMPACPLUS PANEL AND VISIBLE EFFECT ON THE SURFACE OF THE PANEL

KompacPanel can be used as either a kitchen top or a kitchen backsplash with an open flame burner stove for a continuous period of up to 3 hours - giving users a balance between KompacPanels' beauty and practicability.

BIZSAFE LEVEL 3

In striving to achieve a safe working environment for all its stakeholders, KompacPlus has been awarded the bizSAFE Level 3 for complying with the requirements in the WSHA and its subsidiary legislations.

Full report(s) of product performance and quality assurance tests are available upon request.
