

banchetto

Special Customisation

For added aesthetic appeal, banchetto can be further customised with selected features from the KompacPlay Collection by KompacPlus.

—1 KompacPlay Engraving

Using advanced machinery, shallow grooves can be cut on the table top surface upon request. Available in 21 standard designs or customisable by choice.

—2 KompacPlay MixMatch

For an extra touch of individuality, two (2) or more KompacPanel colours can be combined to create a unique table surface with beautiful, aesthetic contrasts.

Note: Additional charges and terms and conditions apply for all special customisations on banchetto.
